

## Sparkling

	Glass 200ml	Bottle
<b>Tradition Brut NV (Villiera)</b> .....	59	225

*After more than two decades, this brand has created a tradition of its own. It is, of course, made in the traditional Champagne method. And the Griers of Villiera represent all that is good about traditional values. Tradition remains as vibrant and satisfying as ever!*

<b>Graham Beck Brut NV</b> .....		235
----------------------------------	--	-----

*The perfect bubble started with the vision and pioneering spirit of an extraordinary man, implemented by a winemaker they now call 'Bubbles' Ferreira.*

## Rosé

<b>False Bay (Waterkloof) Rosé</b> .....	29	99
--	----	----

*Waterkloof has rapidly become one of the movers and shakers of Cape wine. Made in a typically Southern France style.*

<b>De Grendel Rosé</b> .....		120
------------------------------	--	-----

*Rosé doesn't come any easier going than this. Gorgeous berry flavours from Pinotage and Cabernet Sauvignon make it absolutely spot-on as an aperitif or food companion.*

## White

	Glass 200ml	Bottle
<b>False Bay (Waterkloof) Sauvignon Blanc</b> .....	29	99

*Waterkloof has rapidly become one of the movers and shakers of Cape wine. This one is zingy, lively and fresh.*

<b>Diemersdal Unwooded Chardonnay</b> .....	38	135
---	----	-----

*Chablis has met its match in this flinty, food-friendly wine from the Louw family in Durbanville. It's bottled under screwcap, so decanting helps to release the creamier edge to its citrus flavours.*

<b>Secateurs Chenin Blanc (Badenhorst Family Wines) 2013</b> .....	40	140
--	----	-----

*Ancient bush vine Chenin is a natural treasure, and Adi Badenhorst treats the fruit from these 50-year-old vines like gold. When you've tired of acidic Sauvignon you'll lap up this gentle, yet full-bodied wine. Yum!*

**Lomond Sauvignon Blanc** ..... 42 ..... 145

*Planted on virgin vine lands, these vineyards face a daily barrage of southerly winds blowing across the ocean, just 8km away. The purity of the fruit and cleansing nature of the acidity are just spectacular.*

**Ken Forrester Reserve Chenin Blanc** ..... 210

*Ken describes this wine as “a great example of the harmonious balance which can be achieved between fruit and delicate oak/vanilla flavours”. We see no reason to disagree with him!*

**Mulderbosch Chardonnay** ..... 210

*This is a great example of barrel-fermented chardonnay. The oak does little more than 'kiss' the citrus fruits, and the palate remains lively. Previous vintages have earned five stars from Platter.*

**Iona Sauvignon Blanc** ..... 255

*Iona has been at the forefront of establishing Elgin as one of the Cape’s best winegrowing regions, with its delicious Sauvignon Blanc leading the way.*

**Vuurberg** ..... 370

*A rich and delicious barrel-fermented white blend based on chenin blanc. Made by rising star, Donovan Rall.*

**Cartology** ..... 550

*Chris & Suzaan Alheit use advanced satellite imagery and detailed maps to find the vineyards that provide their fruit. This fabulous chenin blanc based blend holds its own anywhere in the world.*

## Red

<b>Glass</b>	<b>Bottle</b>
<b>200ml</b>	

**False Bay Shiraz (Waterkloof)** ..... 29 ..... 99

*Waterkloof has rapidly become one of the movers and shakers of Cape wine. We love this wine’s ripe berry flavours, its spice and gentle tannins.*

**Peacock Wild Ferment Syrah** ..... 35 ..... 125

*Natural yeasts are the riskiest, but ultimately most rewarding, way of making wine. The ‘natural’ way is also followed in the vineyards, with fully biodynamic practices. The proof is in the glass!*

**Hartenberg Cabernet/Shiraz** ..... 45 ..... 150

*The winegrowing history of Hartenberg started more than 300 years ago. Under the ownership of the Mackenzie family, and winemaker Carl Schultz, the property continues to improve on its own lofty standards. No surprise that their ‘entry-level’ over delivers to this extent.*

**Zonnebloem Merlot** ..... 45 ..... 150

*If you're ordering merlot, best you don't have Miles from the cult movie Sideways at your table. Sticking with movies, this wine is a bit like Lindsay Lohan in her Disney period, before she grew up. It's easy-going and certainly has a happy ending.*

**Terra del Capo Sangiovese** ..... 165

*Anthonij Rupert launched the Terra del Capo pairing of Italian varieties as an expression of his love for the Italian table. Sangiovese is at the heart of Chianti; this is a well balanced red that complements a variety of dishes.*

**Trizanne Signature Wines Syrah/Grenache** ..... 185

*Trizanne Barnard is making some of the Cape's most interesting wines from sourced grapes. Swartland provides the grapes for the soft and juicy wine with spicy notes.*

**Kloof Street Rouge (Mullineux)** ..... 189

*Wine pedigree doesn't come much stronger than Mullineux, and their Kloof Street range is no poor relative. Concentrated red with good freshness.*

**Waterkloof Seriously Cool Cinsault** ..... 189

*Around the Mediterranean, Cinsault is often a blending partner for Syrah, Grenache and Mourvedre. Here it stands on its own as a spicy, easy-going wine with much more oomph than you'd expect. Drink slightly chilled.*

**Diemersdal Pinotage** ..... 210

*This pinotage is somewhat demure (in a good way). It's elegant and well-structured, which means it's not going to f\*\*\* up the flavour of your cheeseburger, as the saying goes.*

**Tokara Cabernet Sauvignon** ..... 220

*Tired of over-the-top, slightly sweet blockbusters? This cabernet delivers elegance, refreshment and overall food-friendliness.*

**Meinert Cabernet Sauvignon** ..... 265

*Martin Meinert is one of the winelands' true gentlemen, a modest man not given to hyperbole or self-aggrandisement – much like this elegant and refined wine.*

**Paul Cluver Pinot Noir** ..... 375

*Elgin's high-altitude vineyards provide Pinot Noir with the ideal growing conditions, and the people at Cluver do a brilliant job of guiding the fruit from vineyard to bottle. Luxury in a glass!*
